

# HEWETT'S DENTAL

PROFESSIONAL AFFORDABLE DENTISTRY

We have a spring awakening in this month's newsletter!  
If you want more information about crowns or facial aesthetics then read on to discover what's instore!

### What's included this month:

- Spot the crown
- A brighter natural you
- Meet the team
- Evening and Saturday openings
- Patient feedback
- Reception offers
- Terms and conditions updates

## HEWETT'S DENTAL

PROFESSIONAL AFFORDABLE DENTISTRY

### Spot the crown!

#### Spot the crown!

Zirconia or Emax crowns can be as strong as metal crowns. The appearance as you can see looks very natural and is very hard to spot which tooth is real and which is a crown! Minimal preparation is needed when creating the zirconia crown which evidentially is less destructive for the tooth.

Before

After

## A Brighter Natural You

### Facial aesthetics

Here at Hewett's, we are incredibly proud of our practice. We believe everyone deserves to smile, which is why we pride ourselves on delivering the very best patient experience.

In recent years there has been a massive increase in patients taking up cosmetic treatment options.

### About Sabrina

Principle Dentist GDC Number 83928 - BDS Sheffield 2004,

Harley Street trained at Avanti Aesthetics Academy to offer facial aesthetics.

Her approachable personality and carina nature will help put you at ease.

**Fillers**- Fillers can be used to add volume and shape to your lips- look younger within an hour!

Dermal fillers:

- Softening of creases in the face
- Lip augmentation
- Marionette lines
- Nasolabial folds

**Anti-Wrinkle injections** – This is an injection to help relax the facial muscles, which softens fine lines and wrinkles, such as frown lines and crow's feet giving an overall smoother appearance.

Anti-wrinkle procedures:

- Relaxation and smoothing of forehead lines, frown lines and crow's feet.
- Neck definition
- Jaw definition
- Gummy smile

### Why have your cosmetic treatments here?

The cosmetic dentist is best suited to perform this procedure because of a combination of; an appreciation of aesthetics, knowledge of facial anatomy and familiarity with working with fine needles.

### Feedback?

Would you like to give feedback on your experience at the practice? We accept feedback with open arms. It is really good within the practice to help us understand and meet your needs, feelings and desires. We always aim to make it the most pleasant experience you can have and take away the dental blues. Reviews can be left if you have a Gmail account online, via Facebook, or hand written to the practice.

## Meet the team

### Staff updates:

#### “Run Like The Wind Forest!”

Our Practice manager Tracy Collinson will be running the Leeds Half marathon to raise money and awareness for Genetic alliance UK- SWAN (syndromes without a name).

Approximately 6000 children a year in the UK are born with a genetic syndrome so rare that is difficult and sometimes impossible to diagnose. These children are often referred to as SWAN children (Syndrome without a name). This charity is a life line for so many families across the UK. We would like to wish Tracy all the luck and support in your run, we are behind you 100%!

Do you often buy stock at the practice? If you do, that's great news! We have a great offer on at the moment! All you have to do is simply like us on Facebook or leave a review, on face, google, or even written! Then simply buy your chosen item of stock and get a second one free!

We would like to wish huge congratulations to our dental nurse Rachel her husband on the birth of their beautiful baby boy Jack! Born on the 13<sup>th</sup> March! We cannot wait to meet him and we hope you enjoy every second of your break with your family!

## Have you visited our website recently?

Why not take a look? We have updated our terms and conditions which can be found online or ask a member of staff for a copy

Please note that the terms and conditions within the practice have been updated 2nd January 2019. Our previously policy was requesting 24 hours' notice to cancel appointments. This has now changed to 36 hours' notice. This is due to recent high numbers of missed appointments and late cancellations. This wastes clinical time, appointment time for patients who may have required them, and emergency availability.

We will endeavor to send appointment reminders by email or text. However, this is courtesy service and it is the responsibility of the patient to remember to book and attend any appointments made. We are a busy dental practice and we like to keep appointments available for our patients wherever possible. As such, all patients are required to give 36 hours' notice when cancelling appointments

Failure to provide the notice period above may result in an overhead Fee (fee's cover the cost of wasted clinical time). Overhead fees are to be paid before another appointment can be made. The fee is £1 per minute of clinical time (e.g. 30 minute appointment = £30 charge). Please make every attempt to contact the practice, however if you are unable to get through or are trying to cancel over the weekend please email the practice at [adhewettdental@soegateway.com](mailto:adhewettdental@soegateway.com)

We are always pleased to assist our patients where ever we can. If you have any queries or require clarification, please speak to a member of our friendly team who will be happy to help.
